

BWSSA/Bismarck Park & Rec Meeting

March 5, 2021

Present- (board) Sue Heilman, Joey McLeod, Danielle Borseth, Beth Deeter, Jessica Dirk – (Parks & Rec) Randy Bina, Kevin Klipfel, Riley Merkel, Ethan Eberle

Kevin Klipfel contacted the board to invite them to a lunch meeting to discuss the upcoming season.

We had a brief discussion regarding the upcoming 2021 season.

We discussed number of teams and diamonds. The board indicated that we are hoping for more teams this year, but we won't know for sure until the rosters and fees have been turned in. We are also hoping to start a 5 on 5 on 5 league on Tuesday night.

We also discussed the tournament scheduled – the invitational scheduled on June 5 and state rec 1 and rec 3 tournament Aug 7-8 . We will probably use the Clem Kelly complex for the invitational and the cottonwood complex for the State tournament.

Riley said the diamonds are ok for practice and wondered if we will use the pitching mats this year. We told him we haven't made a decision on pitching mats yet – some people liked them / some people hated them. We will let him know once we have a definite decision.

Parks and Rec also mentioned they will be hosting a Men's National tournament this summer and will need some volunteers. They will keep us informed with updates.

Respectfully submitted

Sue Heilman, Secretary
