

BWSSA Board Meeting

March 9, 2021

Present: Jo Weisbeck, Sue Heilman, Joey McLeod, Beth Deeter, Danielle Borseth, Jessica Dirk

Absent – Brenda McNamara

Danielle presented a list of last year's teams and their classifications and tentative classification for 2021 based on last year's league standings and participation. We discussed the list and that changes may need to be made once this year's rosters have been received. Teams that have major roster changes could need to be reclassified either up or down. But this list provides a starting point.

It was decided we would set up 2 tables for the manager's meeting, one to accept the tentative rosters and Sponsor fees and another to have them highlight the new players on their roster. Having the new player's on a team highlighted will make it easy to see changes to a roster.

Discussion about 5 on 5 on 5 league – Run a short season- maybe 9 weeks (June and July). Rosters will be league only and not classified, therefore if there are players that are only playing in this league they will not be eligible to be picked up for tournaments based on this roster. One fee (possibly \$500) per team, regardless of the number of players on the roster.

Meeting agenda – be sure to add discussion on whether or not pitching mat should be used. Any unfinished business from the previous meeting. Collect tentative rosters and sponsor fee.

Respectfully submitted

Sue Heilman, Secretary
