Sue will make up the schedules and send out for review. She requested everyone look through the bylaws to see if there are things that should be updated.

Jackie Fleck was elected to replace Beth Deeter on the board at the Manager's Meeting.

Pick up meeting will be May 11<sup>th</sup> at the all season arena (curling room) – teams should turn in their state rosters and pick up their manager's packets and softballs from 4 -6. Sue will be there between 1 and 2 to get the packets ready. We decided that we would not print the manager's handbook and bylaws, but reference that they are located on the website. Also we will only print one copy of the schedule for each packet – managers can make copies from that and the schedules will also be available on the website. The state no longer provides rule books they are available on line – there is a link to it on our website.

Packets will have scorebooks, one schedule, flyer for invitational tournaments. Brenda will bring the softballs. Sue will send out a meeting reminder to the managers.

Respectfully submitted

Sue Heilman, Secretary
