

## BWSSA Board Minutes

May 7, 2020

Present: Jo Weisbeck, Sue Heilman, Danielle Borseth, Beth Deeter

Absent: Joey McLeod, Brenda McNamara

Team practices: It has been approved for teams to start practicing. We decided that we will not assign practice diamonds, but Danielle will update the website and let teams know that it is ok to practice on Kelley and McQuade on any night that is reserved for women's softball. To be respectful of other teams and if your team is practicing at 6 pm to please allow another team to practice by 7:30 pm if another team is waiting to practice.

Managers Meeting: we discussed how to run the manager's meeting – do we plan one night and have manager's stop to drop off their fees and pick up their manager's packets and softballs or do we plan to have a meeting for each individual league night? State association says we are still in phase I at this time and another meeting is scheduled for May 16<sup>th</sup>, hopefully we will receive information at that time if we can register teams.

Beth wrote a Letter from the board to Cody in regards to the non-related board expenses charged on the association card with her name to outline how charges should be reimbursed to the association. She will mail the letter by registered mail.

Sue Heilman

Secretary
