BWSSA board minutes

March 18, 2022

Present: Danielle Borseth, Joey McLeod, Beth Deeter, Sue Heilman, Jessica Dirk, Samantha Lachenmeier

Absent: Brenda McNamara

Our board met with Dani Schwartz and Jerry from Mandan at their request. They were wondering if there was any way we could work out an agreement to combined their teams with one of our leagues; like we did last year.

This year they have 4 teams, one of the teams played in our Thursday night league last year and the other 3 teams played in a combined league with our Roughrider league on Tuesday nights. We told her there was no way we could accept the Seven Seas (old The Field) team on that Lower Tuesday night league. We would discuss working out something with the other 3 teams and check with the managers playing in that league to see if there were any issues last year. We will let Dani know once we have a decision.

Respectfully submitted
