

BWSSA board minutes

June 19, 2023

Present: Danielle, Sue, Jess, Samantha, Brenda, Jackie, Joey

Discussion for McQuade Tournament: Brenda will take a case of softballs to Kelley and McQuade; Sue will take a case for the Scheels complex to McQuade Distributing when she picks up women's tournament supplies. Sue will bring a label makers for McQuade and Kelley. Brenda, Danielle, Jackie and Jess will work the Kelley Complex. Joey and Sue will work McQuade Complex. Sam will check in with Landa at Scheels to see if she needs any help.

Sue will contact Riley as the lock on the small shack at Kelley has been changed to a Key lock and we are unable to get into it. (Update: temporary situation – combination lock was lost, but has been replaced.)

July 7th is the classification meeting in Jamestown, Sue and Danielle are invited to attend. Do not feel any of our teams should be reclassified at this time.

League Issues- Diamonds being used by fastpitch teams prior to league and not leaving until game time so teams have no warmup time and infields are messed up before league play. Danielle will go to the diamonds next Tuesday to speak to the fastpitch teams about staying off our diamonds.

Uniforms are still an issue. Some teams are still having problems with getting their uniforms and have emailed, but other teams just don't wear them.

Some teams are reclassified due to dual player situations, players do not inform their managers that they have signed up on another team and don't understand how that can affect their team's classification.

Discussion regarding board positions – Joey would like to have someone take over the tournament manager's position. Sue would also like to have someone take on the secretary position. Danielle would like someone to take on the media – the website and facebook pages. Joey recommended that we write up detailed descriptions of job responsibilities.

Respectfully submitted

Sue Heilman, Secretary
