

BWSSA Board Minutes

February 15, 2021

Present: Jo Weisbeck, Joey McLeod, Brenda McNamara, Beth Deeter, Jessica Dirk, Danielle Borseth, Sue Heilman

Discussion regarding election of officers – Jo and Joey would be up for re-election. Due to the shorten season last year and still dealing with Covid restrictions, it was decided to extend term for all officers for year and Jo and Joey would be up for re-election in the fall. Fall meeting set for August 25th at the Amvets.

Discussion regarding league awards. We have given plaques for the league champions for years, but most sponsors aren't interested in having them. We would still do the league champion patches, but maybe teams would prefer some other type of award, such as t-shirts, discount towards players or sponsor fees, gift cards. We decided to bring this topic up for discussion at the Feb manager's meeting.

Manager's Checklist – Danielle has one ready, she will email it to Sue and put it on the website. Sue will have some printed to hand out at the managers meeting. Sue said the Amvets is not charging for their basement and we can use it for our meetings. There will not be a bartender down there, but if someone wants a drink they can get one upstairs and bring it down. March meeting will be March 18th at the Amvets, (basement). We will collect the tentative roster and sponsor's fees at this meeting. The rules clinic will be April 8th at the Amvets (basement). We will collect Player's fees and City roster. Mike Wolf or a representative of the umpires association will present the rules clinic. Pick up meeting will be April 29th at the All seasons arena. Start Date for league will be May 10th. State Rosters if completed can be turned in at the pick up meeting or will need to be turned in on the first night of league.

Joey will check on submitting a request for an invitational tournament on June 5th.

There have been some questions about transgender. We were told in the past that as long as their ID shows them to be female, they can play in the women's association. Sue Heilman will check with Dick and Amy to see if there is anything in the state or national association guidelines that we should be aware of.
