

BWSSA Board Minutes

February 24, 2020

Present: Joey McLeod, Brenda McNamara, Beth Deeter, Danielle Borseth, Sue Heilman

Absent: Jo Weisbeck

Brenda McNamara told the board that the unauthorized charge made on Cody's card had been contested to the bank and the money has been returned to our account. Cody's card has been closed and her name was removed from the bank account with her resignation.

Sue Heilman discussed information from state meeting in Jamestown on Feb 15th. With only three representative from women's associations present, not much discussion was held regarding specific women's association issues. State tournament dates and sites were distributed; It was decided that Bismarck would host the Master's this year. Discussion regarding the Master's, Sue is going to ask if there would be any possibility of moving the tournament to July for this year due to conflicts on the board for the dates of Aug 22-23. Bismarck will also host the Rec 3 west tournament Aug 15-16. Chastity Schaffer from Jamestown was added to the state executive board. Also this year, the state will start promoting online rosters; printed rosters will still be accepted. We will get more information from RC regarding completion of online rosters to distribute to the association.

With Cody's resignation, Joey has accepted the tournament manager's position for this year. Sue Heilman will remain the tournament manager for the Master's.

Danielle said she had been approached about the possibility of playing a shorter season. She proposed the possibly of running a 12 team and a 6 team league on Thursday night playing 12 weeks. Starting 1 week later and ending one week earlier. The 12 team league would play each of the other teams once and on the last night, the first place team would play the second place team, 3 place vs 4 place, etc. or play a type of league tournament. It was decided we would send out a poll to manager's that play Thursdays to get their opinions.

The board will meet on March 16th at 5 at A&B North
