Set agenda for Sept. 22 Manager's Meeting:

Minutes from the April 5, 2016 Spring Manager's meeting

Financial report: Report the current balance, Financial statement will be included in the Spring manager's packets, we still have several outstanding bills.

Election of officers : Leanne and Brenda are up for re-election at this time Leanne does not believe she will run for another term; Brenda will accept a nomination for another term.

Old business: no old business

New Business: Pink night overwhelming response – raised $955 cash – This money was given to Mike Wolf to donate in Connie's name from our association. Thanks to all who participated. We have had several suggestions to consider for next year- like to do it earlier in the year like one of the first weeks when some teams don't yet have their uniforms or the week after or before McQuade. As well as possibly using the money to assist a member of the association that might be dealing with cancer.

Distribution of awards: Plaques and patches for teams placing 1 and 2 in league. We took an in depth look at Metro league standings due to the league having an unequal number of teams and the number of games teams actually played and competition between the teams to determine the placement of the teams in the league.

Manager's Meeting will be held on September 22, 2016, at the Amvets (main floor)

Respectfully submitted

Sue Heilman, Secretary
