March 7, 2017

Present: Jo Weisbeck, Cody Remboldt, Brenda McNamara, Sue Heilman, Danielle Borseth, Joey McLeod, Beth Deeter

Absent: Sue Lachenmeier

Brenda said Kevin Klipfel informed her that our matching grant had been accepted for replacement of the infield fences and foul poles at the Clem Kelley complex.

Danielle said she had received a suggestion that we have a 12 team league for the Missouri League with 4 teams playing their games under the lights. We had an indepth discussion regarding the pro/cons. It was determined that it may not be possible for this year-parks and recs would have to agree to line and drag the diamonds after the men's games and would we be charged additional for lights, we would have to find umpires that would agree to work the additional games and how many teams would actually want to play that late because there are no more available diamonds on Thursday nights.

We placed teams into tentative leagues based on the tentative rosters received.
