

BWSSA Minutes from 1/29/19

Present: Beth Deeter, Danielle Borseth, Jo Weisbeck, Cody Remboldt, Sue Heilman, Brenda McNamara

Absent: Joey McLeod

Sue Heilman presented information from the state meeting on Jan 18-19, 2019. State office is promoting online rosters working with gosoftball.com. Will probably not happen this year but in the near future. Bismarck Women's association was awarded the State D and Rec II tournaments for 2019.

Women's Masters will be called ND women's masters 30, and co-ed and unrostered players that are ND residents will be allowed to play using the highest point value.

No new rule changes for 2019. There is a new bat stamp approved for 2020, however some manufacturers may start using it this year.

From the umpires association: they will not ask for a per game increase this year, but have asked if our association would help fund Bismarck umpires wishing to attend the National Umpires school which will be held in Bismarck. We have agreed to help pay for Bismarck umpires in lieu of a rate increase for 2019.

Cody has received 2 dates for the Bismarck invitational – June 8 or June 22. We chose June 8th with 3 round robins – 5 teams each – c/d , rec 1, rec 2-3 - \$100 entry fee.

Went thru the Manager's handbook to make necessary changes in dates for this year. Sue will contact Mike Wolf about the rules clinic date and Mike Wald about meeting dates. First Manager's meeting either February 28 or 26 , Rules clinic either March 28 or 26 and pick up meeting April 25. League to start week of May 6th.

Beth created a Manager's check list and asked if it could be sent out with the Manager's email notice so managers would have a quick reference as to meetings and fees that will be collected.

Respectfully submitted

Sue Heilman

Secretary
