Meeting with Parks and Rec

March 25, 2022

Present: Sue Heilman, Beth Deeter, Mike Wald, Ethan Eberle, and David Mayer

Beth signed the BWSSA user agreement for 2022 to 2024.

Parks and Rec staff asked if there were any field issues that we were aware of that needed to be addressed. We indicated that as issues are brought to our attention we contact Riley and usually those things are addressed as soon as possible.

We discussed the possibility of starting the league 2 weeks later than our intended start date of May 9th and end date of Aug 15th due to request of manager's to start later. They said they do have little league football and soccer that start around Aug 25th so we could probably extend the season by 1 week in the fall and there may be lines painted on the fields for football. Also coed softball would also start but that is usually played on the larger fields so should not be a problem.

Parks and Rec also wanted to know of any tournaments that we would be running this summer. We told them there is an invitational tournament on June 4th and we would probably plan to use diamonds 1-4 at Kelley. We also have the rec 4 West tournament which will be run August 6-7 and we usually plan to use Cottonwood 7-12 if they are available.

Mike Wald also asked how many teams we thought we would be registering this year. We told him right now it looked like we would have about 50 teams which is about 4 less than last year, but we may still hear from teams trying to organize. He said that the Men's association indicated that they were down about 10 teams from last year.

Mike also reminded us to reach out if we needed assistance from their office.

Respectfully submitted

Sue Heilman, Secretary
